1. Plaintiff prays for judgement against the above defendant in the sum of \$6000.00 including court cost.

On 04/04/2021 I received a notice that I.C. System, Inc a collection company reported to the credit bureau they were trying to collect money owed on a residential account on behalf of Spectrum. This action was taken without any notice sent to me regarding the account.

This action caused the credit bureaus to lower my individual credit score. I did not receive any opportunity to defend myself before I.C. System, Inc reported me to the credit bureau.

I.C. System, Inc personnel did not cooperate with my request to find out why this action was taken.

I.C. System, Inc has caused financial delays with my current banks affecting the ability to obtain loans.

Their actions and unwillingness to cooperate to correct this problem is absolutely irresponsible.
